

2007 Newport Harbor Lacrosse Booster Club

Welcome to our 2007 NHHS Lacrosse Team. Lacrosse is the most exciting, challenging, and fastest growing sport in the country. The sport of Lacrosse helps build character, sportsmanship, and athleticism of the students. With its combination of speed, stick skill, agility, grace, endurance, finesse and unique history, lacrosse may be, according to basketball inventor James Naismith, "the best of all possible field sports."

The cost of the sport is borne in part through the collection of player registration fees and in part by the Newport Harbor Booster Club. These costs include coaches' salaries, team bus transportation (when required), balls, helmets, uniforms and practice jerseys. In 2006, the Booster Club raised over \$45,000 as a condition to the School District permitting the boys' and girls' teams being granted CIF status. As a largely non-funded school sport, the growth and success of our team depends upon the success of our fundraising activities. We encourage all parents and other interested supporters to become Boosters. For a successful year, every family member must help with fundraising and/or volunteering. Becoming a Booster is a great way to meet new people, make new friends, travel to different places, and most importantly, to support the student-athletes at Newport Harbor High.

In an effort to involve parents, grandparents, alumni, and community members, we have formed the Newport Harbor Lacrosse Booster Club. We encourage all parents and other interested supporters to become Boosters. For a successful year, every family member must help with fundraising and/or volunteering. Becoming a Booster is a great way to meet new people, make new friends, travel to different places, and most importantly, to support the student-athletes at Newport Harbor High.

The NHHS Lacrosse team would like to thank you for your support. We look forward to a fantastic new season. We especially want to welcome our new players, our new coaches, and you, our new Booster Club member!

All Booster members will be recognized on our Newport Harbor Lacrosse team website (www.nhlax.org). There are different membership levels. Please choose from one of the following:
